

# NON-RETURN CHECK VALVE

## Technical datasheet Nr 21

Sanitary compliance certificate

### • BRASS NON-RETURN CHECK VALVE

- All positions valve (observe the flow direction indicated by the arrow)
- Brass body, Nylon shutter, Nitrile gasket, Stainless steel 304 spring
- Temperature range: -10°C / +110°C
- Sanitary compliance certificate

Reference	ND (")	NP (bar)	Lenght (mm)
70010150237	3/4"	16	45
70010150170	1"	16	48
70010150457	1"1/4	10	52
70010150147	1"1/2	10	59
70010150582	2"	10	65

### • STAINLESS STEEL NON-RETURN CHECK VALVE

- Disc check valve all positions (observe the flow direction indicated by the arrow)
- 316 stainless steel body, 304 stainless steel disc, black FKM seal, 304 stainless steel spring, PTFE guide ring, 304 stainless steel bracket
- Temperature range: -10°C / +150°C

Reference	ND (")	NP (bar)	Lenght (mm)
70010150000	3/4"	16	70
70010150001	1"	16	80
70010150002	1"1/4	16	108
70010150003	1"1/2	16	115
70010150004	2"	16	126
70010150005	2"1/2	16	145
